Dear Reflexologist and Friends of Reflexology,

Over the past year, an Acting Board of the Integrated Reflexologists of Wisconsin, Inc. (IRW) has been meeting regularly to create a new non-profit corporation for the Reflexology profession.

At this time, we are ready to accept membership and are welcoming you to join us as a Charter Member. We have some perks for Charter Members that will have lasting benefits for years to come as long as the membership is maintained. To become a Charter Member, you need to join IRW by June 30, 2015.

We are in the process of developing a website and email address for Reflexology information. On the website you will find a copy of the By-Laws, Ethics Code, Conference Information, Membership List and any other pertinent information for you, the Wisconsin Reflexology community.

Currently, we are proceeding to affiliate with the Reflexology Association of America (RAA) and are waiting for our 501(c) 6 (not-for-profit status) designation.

Plans are being made for our first conference in **November 7, 8, 9, 2014. Please save the dates.**

The Wisconsin location will be disclosed at a later date. We have been in contact with a well know Reflexology instructor to participate at our first conference.

We will be in need to two RAA Delegates. If you have an interest to represent Wisconsin at the national level, please let us know of your interest.

For Unity and Promotion of Reflexology,

Lila M. Mueller, Acting President
